        This intensive course provides a practical approach to clinical nursing instruction. Students will learn the basic skills and knowledge to effectively lead a clinical rotation of nursing students. Focus is on the adult learning theory, the teaching-learning process, evidence-based teaching methodologies, and application of these principles within the clinical setting. Emphasis on teaching nursing students of diverse backgrounds and ages as well as trends and issues that impact nursing and nursing education will be explored. The course includes a 2-unit lecture component and a 1-unit clinical practicum, which will require a minimum of 45 hours of clinical teaching practice working with an experienced preceptor.
