## SINGLE-SUBJECT MATTER PREPARATION PROGRAM IN MATHEMATICS

- The SSMP is NOT a major. Students must also satisfy the requirements of a major to receive a bachelor's degree.
- Students interested in the SSMP should consult the Mathematics SSMP Coordinator as soon as possible to obtain detailed information on GPA requirements and the portfolio of work that must be compiled.
- For more information on the SSMP, visit: www.csusm.edu/math.
- The best preparation for students interested in pursuing the Single-Subject Credential in Mathematics is the Education Option of the Bachler of Science in Mathematics.
