Partners in Campus Business Operations Budget 101 Survey

Sent on Behalf of: University Budget Office

Dear Campus Community:

New to campus or just want a refresher on budget?

The University Budget Office plans to present a session on budget (or additional sessions, depending on interest). The session can include both a high-level overview of the budget and specific areas that impact the campus community. More to come.

Please take the survey below so we can get a sense of headcount and content to include. We will work to set up a session (or possibly several). The session(s) will be virtual, and we will keep the sessions to a workable number of attendees to help facilitate discussion and questions.

In addition, we plan to conduct a separate session for Mid-year. We intend to roll out the guidelines shortly.

We look forward to hearing from you!
