Dear PCBO Community,

We are reaching out to give an update on the CSUBUY Procure-to-Pay timeline. Due to implementation delays at campuses ahead of our campus, CSUSM's CSUBUY Procure-to-Pay implementation has been delayed from Spring 2024 to late Fall 2024.

We remain confident and excited about the efficiency, automation, risk mitigation, and cost savings that CSUBUY Procure-to-Pay will bring later this year.

Have a great rest of your semester,

***Office of the Vice President, Finance and Administrative Services***
