Hello Campus Partners,

The Budget Office is pleased to announce that the Operating Fund (48500 & 48511) budget for Fiscal Year 2023 is available on Data Warehouse! You can now run budget and actuals for all Operating Fund accounts.

What's New? This year's budget upload includes position numbers for professional staff salary lines. The position numbers are posted to the "Jrnl Ln Ref" column for relevant budget lines.

If you have any questions, please contact budget@csusm.edu.

Thank you,

Budget Office
California State University San Marcos
