TOWN SQUARE®, a Chula Vista day center for immersive Reminiscence Therapy that utilizes tangible prompts from a participant’s past to elicit familiar memories from their youth. Students in the past have had internships with the center. Are CEHHS Schools/Departments interested in a relationship with the Center? SLP and SON are both interested in having students work in labs or clinical placements. HD could have students placed for their internship course. IPE group could work on having departments work together at the center.
PH and MSW might be interested as well, the deans will reach out to the chairs.
 - c. Websites & Crowdfunding, Lori Brockett (**Time Certain: 2:15p**) (DK)

Crowdfunding will hopefully launch later this month. Crowdfunding is like GoFundMe but smaller. Short term turn around time (30 days), peer to peer. Campaign requirements, purpose, fund, approval.
