

ACADEMIC REQUIREMENTS REPORT

ARR

WHAT IS THE ARR?

- The ARR is a report that tracks the completion of ALL degree requirements in one document
- Lists all courses completed at CSUSM, courses in-progress, and any course or test credit completed off-campus submitted on official documents
- Changes and displays new information:
 - After registration
 - After grades are posted
 - After you declare or change your major/minor
 - After you submit transcripts with off-campus coursework

ACADEMIC REQUIREMENTS REPORT-ARR

- Used by Graduation Auditors in Registration & Records when processing your graduation evaluation.
- Available to both students and advisors in the same format. You now see exactly what your advisor sees.

WHERE IS THE ARR?

The screenshot shows the MyCSUSM website interface. At the top, there is a search bar and navigation links for Web, Directory, Index, and Help. The main content area is divided into several sections. On the left, there is a 'Student Center' section with a red border around the 'Student Center' link. Below it are links for 'Student Center Help', 'Orientation Reservation', and 'My Booklist'. Further down are sections for 'My Personal Information' (Addresses, Email Addresses, Phones, Emergency Contact) and 'Catalog/Schedule of Classes' (Course Catalog, Class Schedule). On the right, there is a 'Welcome CSUSM Students' section with a photo of two students and text about the university's commitment to customer service. Below this is a 'Parking Permit' section with a warning about address information and a 'Registration Waitlisting for Students' section with a warning about waitlisting.

Registration Waitlisting for Students

Registration waitlisting is being piloted for the fall 2011 semester in select courses. The purpose of waitlisting is to allow students to get in a queue for available seats once a class becomes full. The pilot will assist faculty and the administration to determine course demand and develop reporting tools for future use.

More information will be available to students including frequently asked questions (FAQs) and Quick Reference Guides.

We hope this information makes your transition into waitlisting a smooth process.
