CHABSS STUDENT SUCCESS GRANTS

Please nominate undergraduate or graduate students who have demonstrated exceptional academic skills/performance to present and/or attend conferences, workshops, or seminars. You may nominate students who wish to receive training in a particular field of study and/or enhance particular academic or professional skills.

Grants will be awarded on a first come, first serve basis while funds are available. Nominations must be submitted 45 days prior to the event/use of funds to allow for review and processing.

Nominating faculty first name and last name *

Student first name and last name *

Student email *

Student major *

Student is a... *

Freshman ⌄

Your department or program *
