

SOLE SOURCE / BRAND NAME JUSTIFICATION

Purpose: As a recipient of funding from a variety of federal/state agencies and private donations, CSUSM Corporation must ensure price fairness and reasonableness by documenting the due diligence process. This can only be appropriately documented when the competitive bid process is used. In the absence of the bid process, the Sole Source/Brand Name Justification form must be completed and signed, and may be subject to audit.

This form must be completed and submitted with your purchase requisition and additional supporting documentation. Incomplete justification or documentation for a request for a sole source procurement will result in delays or a solicitation of bids. CSUSM Corporation reserves the right to solicit competitive proposals or sealed bids for any procurement.
