

CSTEM

SOLAR ECLIPSE VIEWING

SATURDAY, OCTOBER 14

9:00-11:00AM

VIASAT ENGINEERING PAVILION DIRT LOT

Limited free parking available in Lot E on a first come, first served basis.
Discover CSUSM participants should park in the Parking Structure.

- ☾ Solar telescope and sunspotters (weather permitting).
- ☾ Make your own "pinhole" camera.
- ☉ Create a moon crater.
- ☾ Learn about engineering in a solar-powered golf cart.
- ☉ Hear about research projects Engineering and Physics students are involved in.

Remember to never look directly at the sun during an eclipse!
