

The Marilyn J. McWilliams Spirit of Inclusive Excellence Award

Today, May 2nd, The Office of Inclusive Excellence will be raising money for The Marilyn J. McWilliams Spirit of Inclusive Excellence Scholarship!

We established this award to honor and reward students who have demonstrated excellence in meaningful ways that include the principles of Diversity, Equity, Inclusion (DEI), and service to others. This scholarship award provides financial assistance for members to continue their education and training at California State University San Marcos.

Join Us And Carry The Flag For Our Students!

For many students, financial support from family is not an option – nearly 70% of our students receive financial aid. Scholarships are a vital component to success, encouraging our students to persist to graduation and experience the sense of pride that comes from earning a degree. **#OneCSUSM**
