“NavBar” My Favorites

The image illustrates the navigation path from the NavBar to the Requisitions page. It is divided into three main sections:

- NavBar:** A vertical sidebar on the left containing icons for Navigator, My Favorites (highlighted with a red box), Recent Places, My Preferences, and Classic Home.
- NavBar: My Favorites:** A panel that expands from the My Favorites icon, listing several items: Accounting Line Errors Display, Add/Update Requisitions (highlighted with a red box), Attribute_Build, Attributes, Basic Add, Build Combination Data, CRI Journal Gen, and CSU AP Check Configuration.
- Requisitions:** The main content area of the 'Add/Update Requisitions' page, featuring search buttons for 'Find an Existing Value' and 'Add a New Value', input fields for 'Business Unit' (with value 'LBCMP') and 'Requisition ID' (with value 'NEXT'), and an 'Add' button.

Red arrows indicate the flow of navigation: from the My Favorites icon in the NavBar to the 'Add/Update Requisitions' item in the expanded list, and then to the Requisitions page.

Page View

The screenshot shows the Oracle Requisitions page. At the top, there is a navigation bar with 'Favorites', 'Main Menu', and 'Add/Update Requisitions'. On the right side of the navigation bar, there are 'Home' and 'Sign out' buttons. Below the navigation bar, the Oracle logo is on the left, followed by a 'Navigator' dropdown and a search bar. To the right of the search bar is an 'Advanced Search' link. On the far right, there is a 'NavBar' section with an 'Add To' dropdown menu, a 'Help' link, and a play button icon. The 'Add To' dropdown menu is open, showing options for 'Homepage', 'NavBar', and 'Favorites'. The main content area is titled 'Requisitions' and contains two buttons: 'Find an Existing Value' and 'Add a New Value'. Below these buttons, there are input fields for 'Business Unit' (containing 'SMCMP') and 'Requisition ID' (containing 'NEXT'). An 'Add' button is located below the input fields. At the bottom of the page, there are links for 'Find an Existing Value' and 'Add a New Value'. A blue-bordered box highlights the 'Add To' dropdown menu and the 'Sign out' and 'Home' buttons.

Homepage Tiles (9 max)

The screenshot displays the Oracle PeopleSoft CFS 9.2 homepage. The top navigation bar includes the Oracle logo, the version 'CFS 9.2', and icons for home, search, and a menu (highlighted with a red box). The main content area is a grid of nine tiles, each with a title and an Oracle PeopleSoft logo icon. The tiles are arranged in three rows: the first row has three tiles, the second row has three tiles, and the third row has two tiles. The 'Add/Update Requisitions' tile is highlighted with a yellow background.
