

**Date:** April 27, 2016

**To:** Campus Community

**From:** President Karen S. Haynes, Ph.D.

**Subject:** Chancellor White's Visit to Cal State San Marcos

On Monday, April 25, CSU Chancellor Timothy White came to CSUSM for a daylong visit as part of his "Innovations in the Classroom" 23-campus tour this academic year.

I'd like to thank all of you who played a part in the day – whether you took time to attend the Open Forum, met with him to showcase the innovations that are occurring every day on our campus or worked behind the scenes to plan and prepare for his visit.

In particular, I'd like to acknowledge Dr. Julie Jameson and her students for demonstrating their work in diabetes research, and Drs. Sean Newcomer, Jeff Nessler and Devin Jindrich for illustrating the research taking place at the outdoor kinesiology surf laboratory with the assistance of their interns and students. I also know that the Chancellor was delighted to meet individually with our CSU Wang Family Excellence Awardee Kristine Diekman, tour The Sports Center with student athletes and meet a group of our successful alumni at an evening reception.

An [online photo album](#) has been created – please take a moment to enjoy these images from Chancellor White's visit.

I am confident that Chancellor White left CSUSM knowing just what a special place this campus is, filled with people dedicated to learning and improving our region and our state. Thank you again for being a part of his memorable CSUSM Cougar experience.
