Price Community Scholars Program

Inspiring, Empowering, Mentoring, Serving

Are you interested in Community Service and Leadership? if so, we are looking for incoming first-year students from City Heights with a passion and dedication to give back to their community and be a part of the incoming Price Community Scholars Program. Fifteen students will be selected for the 2024-2025 Cohort 7.

Expectations of a Price Community Scholar

- Mentor three local middle school students from Clark Middle School or Wilson Middle School
- Apply and be admitted to the SDSU Educational Opportunity Program Outreach and Success (EOPOS)

Benefits of being a Price Community Scholar

- Opportunity to network and build relationships with SDSU Staff
- Ongoing mentor training and holistic support
- Opportunity to give back to your community through a 4 year commitment of mentoring 3 students from 7th to 10th grade.
- Annual Renewable Scholarships up to \$7,500 per year to attend San Diego State University

Application Checklist

- Price Community Scholars program application
- Two-page double spaced personal statement
- Copy of your unofficial high school transcript
- One recommender - must be either one high school teacher or high school counselor
