# Leadership Theories

...

1. Authentic  
Leadership

2. Servant  
Leadership

# Authentic Leadership

## 1 Self-Awareness

Understanding your strengths and weaknesses & being mindful of your impact in a group

## 2 Transparency

Being willing to show your true self through communication & open sharing

## 3 Balanced Thinking

You are willing to hear and consider all sides of an argument

## 4 Strong Moral Code

Your morals and ethics impact what decisions they make

# SERVANT LEADERSHIP

...

Viewing leadership as a way to serve those around you and focused on creating a welcoming environment for others!

1

Person of character

2

Puts people first

3

Skilled communicator

4

Compassionate collaborator

5

Future Thinker

6

Problem Solver

7

Leading with morals

SE PUEDE IT

# Activity time!

Turn to a partner & chat about the following...

1. What is 1-2 morals that you hold as a person?
2. What is one strength you bring to your organization?
3. What is one skill you want to work on this year as a Student Org leader?
4. Do you resonate with authentic or servant leadership? (its okay if not!)
