

SMOKE AND VAPOR FREE CSUSM

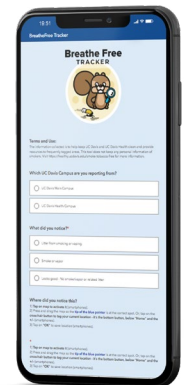

CSUSM is helping end cigarette butts on our beaches. Since becoming 100% smoke, tobacco, and vapor free, cigarette litter on our campus has decreased 54%!

The Clear the Air Tracker identifies areas of concern for education and outreach on our campus.

Each report contributes to a larger picture; to see the live map of submitted reports, visit bit.ly/2oMB84W

Save www.clearcampus.org to your mobile device for easy tracker access or use the CSUSM Campus App (*under Wellness-Safety*).
