

A wide-angle photograph of a university campus. In the foreground, a paved path leads from the bottom left towards the center. To the right of the path is a large, well-maintained green lawn. In the background, a large, modern, multi-story building with a curved facade and many windows is visible. The sun is shining brightly from behind the building, creating a lens flare effect. The sky is filled with white and grey clouds. A tall, modern street lamp stands on the path. The overall scene is bright and clear.

WAIT LISTING A COURSE CONTINUED...

Note:
Once the semester begins, most faculty will use waitlists to determine which "crashers" get into available seats. You must be on that waitlist prior to start of the semester to be considered.
