## TRIO SSS FIRST-YEAR EXPERIENCE AT VISTA'S MOONLIGHT AMPHITHEATER

TRIO SSS Scholars got to see the show *KINKY BOOTS*. The show was based on a British film and is inspired by seemingly improbable but actual events. It opens with Charlie, the son and heir apparent to Price & Sons shoe factory leaving to make his life away from the family business. When his father passes away, Charlie finds that the factory is losing money and either must close or find a radically different market that needs shoes. This was an amazing experience to not only get to see this musical but have students come together and enjoy what was for many their first time at a play.

## TRIO SSS FALL 2022 ONE-UNIT COURSE CULTURAL EVENT: SWEATSHOP OVERLORD

TRIO SSS students that were a part of the TRIO SSS one-unit course got to experience the Sweatshop Overlord, a play about mothers and daughters and heritage and how at a time of horrific anti-Asian bigotry and violence in this country, some of those women harnessed perennially undervalued skills for an urgent common good.
